

“EARTH’S VANISHING SPECIES”

AN EXHIBIT BY AWARD-WINNING PHOTOGRAPHER
GEORGE GRUBB

George Grubb, a native of Lexington, has traveled to every continent in the world photographing wildlife. From polar bears on the Arctic ice to gorillas in Rwanda to orangutans in Borneo, George brings his passion for wildlife photography to Davidson County Community College.

You will have the opportunity to own George's award-winning work in signed, limited edition, framed prints through the silent auction that will take place on this night. Proceeds benefit the DCCC Foundation, supporting the students and programs of Davidson County Community College.

Five of George's photos are being auctioned online only, with the auction set to close November 7. Place your bids now at www.biddingowl.com/dccc.

You're Invited
